Rules under Pensions Act in respect of payment of heriz deductions.

With the sanction of the Government of Madras under the delegation made to them by the Government of India in their notification No. F 15 (1)-Ex II/38, Finance, dated 8th February 1939, and in supersession of the existing rules in paragraphs 1 and 2 of Board's Standing Order No. 61, the following rules are issued by the Board of Revenue, under sections 6 and 14 of the Pensions Act, 1871.

They are applicable to all pensions and cash allowances remaining unpaid owing to failure to apply for payment or other neglect on the part of the recipient but shall not apply to—

(a) Service pensions, which are governed by the rules in Chapter XLVIII of the Civil Service Regulations;

(b) payments which are in the nature of certificates entitling the possessors to payment of a certain sum which certificates are freely negotiable or transferable in the open market; and

(c) political pensions such as maliknas allowances and stipends paid to Carnatic stipendiaries falling within the scope of section 148 of the Government of India Act, 1935.

1 (1) Pensions and other cash allowances shall be payable monthly, quarterly, half-yearly or annually, according to the terms of the respective permanent pay orders.

(2) Pensions and other cash allowances shall as a rule be drawn immediately after the close of the periods for which they are respectively due.

(3) When an application is made for the payment of arrears of pensions or other cash allowances, the disbursing officer shall examine the applicant personally and satisfy himself that he is the person entitled to the pension or allowance. He shall then pay the arrear due to the applicant subject to the conditions laid down in sub-rules (3) and (4) of rule 2. In the case of persons exempted from personal attendance special precautions for the prevention of fraud shall be taken by the disbursing officers.

(4) The date on which application for payment was made shall be distinctly noted by the disbursing officer on all vouchers on which payment of arrears may be made. A certificate to the effect that the applicant has been personally examined by the disbursing officer, or in the case of a person exempted from personal attendance, that he has otherwise satisfied himself of the identity of the applicant [vide sub-rule (3)] shall also be appended.

(5) The number of the permanent pay order upon which each pension or allowance is paid shall be clearly noted on the voucher.

(6) Disbursing officers shall also endeavour, as far as possible to ascertain why pensions or other cash allowances have been left undrawn, the nature and date of casualties shall be noted in the registers maintained for the purpose and communicated without delay to the Accountant-General, care being taken to return at the same time the permanent pay order upon which the pension or other allowance was paid.

(7) Any pension or other cash allowance, the payment of which has not been sought for more than six years shall be struck off the registers and all arrears shall be forfeited. The Board of Revenue may, however, revive lapsed allowance and sanction payment of arrears in all cases where the institution has been kept up and service has been properly rendered. The Board may also revive lapsed allowances even though the service has not been kept up, if it is satisfied that failure to keep up the service and apply for the allowance was due to disability and not to neglect; in such cases the payment of arrears of allowances shall require the sanction of the Government.

2. (1) When a person applies, as the legal representative of a deceased pensioner, for payment of arrears of pension or money allowance, the disbursing officer shall require proof by affidavit or declaration in writing that the applicant is entitled to receive the payment asked for.

NOTE.—Such affidavits and declarations are exempt from stamp duty under Schedule I of the Indian Stamp Act, 1899 (II of 1899).

(2) All pensions and other cash allowances payable for fixed periods are due on the expiry of those periods, from which time, up to one year they shall be considered as current payments. After that, they shall be considered as arrears.

Illustration.—An allowance for December 1942 is due on 1st January 1943, and if claimed before 1st January 1944, shall be paid as current allowance. From and after that date it shall be paid as in arrear.

(3) Arrears of pensions and other cash allowances shall be paid in full for two years in addition to the current payment.

Illustrations.—An allowance due on 1st January 1942 but not claimed until 1st January 1945, shall be paid in full, as well as the allowance due in any month, quarter, half-year or year subsequent to January 1943 and preceding January 1946, if applied for before the end of December 1945.
